About Us

Arivhome is a team of Professionals from various fields who have been working with designers to reduce their design fatigue by providing one point of contact for **furniture, decorative lighting, rugs, paintings, artefacts, wallcoverings, kitchens and wardrobes** requirements

Design Philosophy

We firmly believe that furniture is not only a functional carrier, but also an expression of lifestyle. ArviHome's products emphasizes the harmonious unity of form and function, using only top-notch materials, adhering to sustainable craftsmanship, and pouring ingenuity into every detail.

Mission

At ArviHome, our mission is to transform houses into homes by delivering end-to-end interior solutions in Transparent, Timely & Cost Effective way

NEW ZEALAND-(AUCKLAND)

Why Us

- Concept to delivery stage
- Till Doorsteps delivery
- Both LCL & FCL Solutions
- Transparent & Timely Delivery
- 100% Quality ,100% Durability

1. What products do you specialize in?

We provide premium furniture solutions across residential, hospitality, healthcare, education, and airport projects – including beds, sofas, chairs, dining tables, and custom designs.

2. Do you offer customization

Yes, we specialize in bespoke designs including product 2D drawings including all dimensions, allowing designers to create unique concepts or furniture pieces for their projects under their own label.

3. Do you provide international shipping?

Absolutely. We handle global logistics, packaging, and documentation to ensure safe and timely delivery worldwide till your doorsteps

Please note Unloading, unpacking, installation (at some places provided by us) & waste material disposal is in the scope of the buyer

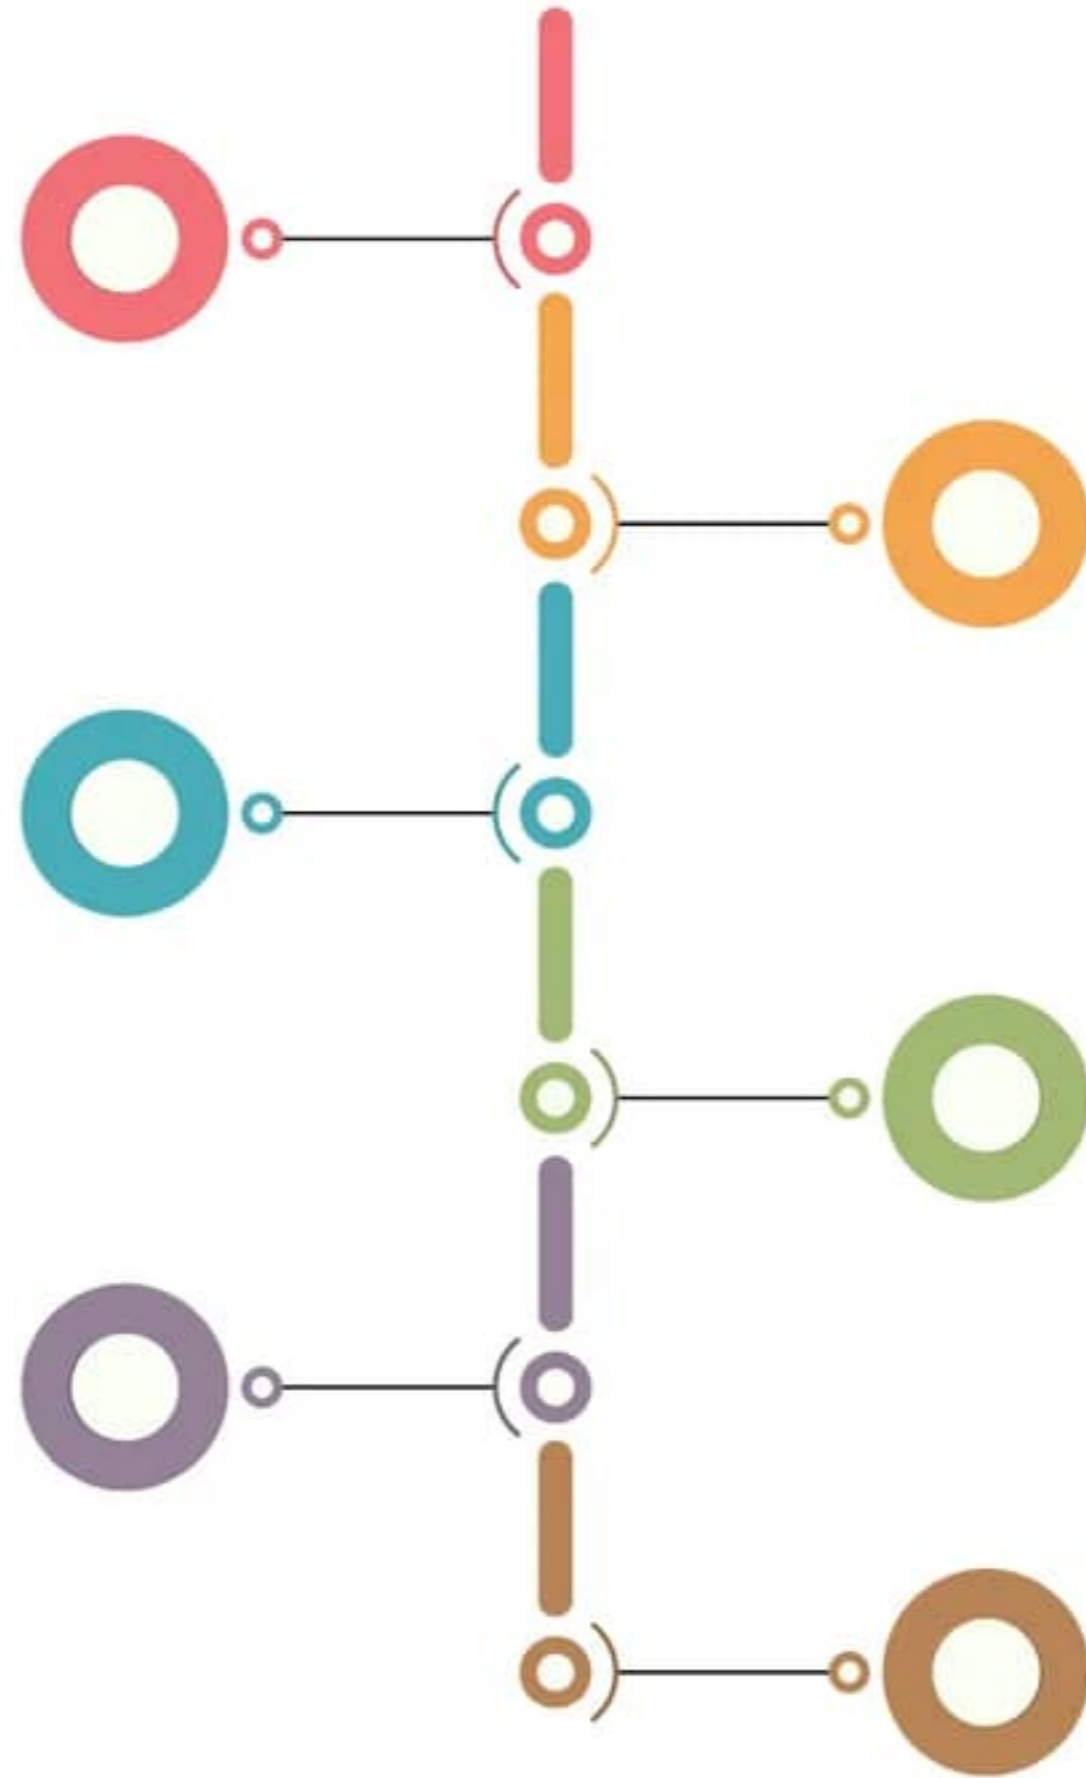

4. Can I order samples before bulk purchase?

Yes, samples are available so you can assess quality and finish, samples can be provided after order confirmation and receipt of advance payment ON FOC Basis, else on chargeable basis
